

170W solar cell assembly

Overview

What is a 170 watt solar module?

The Go Power! 170 watt Solar Module is our largest, single panel solar module with aluminum frame. The GP-PV-170M Solar Module from Carmanah is a high-efficiency monocrystalline solar module that provides outstanding performance and cost-effective solar power for high-end off-grid and mobile applications.

What are the dimensions of the 170W solar panel?

Our high-quality 170w fixed solar panels are only 17mm high, making them aerodynamic and lightweight. They are suitable for fitting on the roof of a 4wd, caravan, camper trailer or boat.

What is a GP-pv-170m solar module?

The GP-PV-170M Solar Module from Carmanah is a high-efficiency monocrystalline solar module that provides outstanding performance and cost-effective solar power for high-end off-grid and mobile applications. This solar module is built to last and features a 25-year limited power output warranty.
