

Brazilian Outdoor Communication Battery Cabinet Electronics Company

Overview

Who is the largest battery supplier in Brazil?

BYD (002594.SZ) is Brazil's largest battery supplier and has two factories in Brazil, producing lithium-ion batteries and solar modules respectively. BYD will start producing new N-type TOPCON photovoltaic modules in Brazil in December 2022, with a power capacity of 575W.

Who makes UCB power stationary batteries?

Founded in 1973, Unipower, UCB Power's stationary battery brand, leads the market with innovation and quality. Unipower was the first to manufacture lithium-ion stationary batteries and obtain the Inmetro quality seal. USOLUTION® offers smart, reliable, and sustainable energy storage solutions.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What makes UCB power a reliable battery brand?

Reliable power to maximize your technological performance. Founded in 1973, Unipower, UCB Power's stationary battery brand, leads the market with innovation and quality. Unipower was the first to manufacture lithium-ion stationary batteries and obtain the Inmetro quality seal.

What does UCB power do?

Our comprehensive approach supports the energy transition, ensuring a safe and sustainable future. Meeting the rising demand for electric mobility, UCB Power produces batteries for two-wheelers and leads in developing storage and charging infrastructure, advancing sustainable transport with cutting-edge technology.

Where is Brazil's first commercial wind power & energy storage project located?

In March 2021, Acumuladores Moura and Baterias Duran jointly developed Brazil's first commercial wind power + energy storage project and put it into operation. It is located in the state of Bahia in northeastern Brazil, with a total capacity of 1.5MW/3MWh, aiming to provide local Agricultural irrigation provides stable and clean energy.
