

# British photovoltaic panel manufacturer

#### **Overview**

Are uksol solar panels a good choice?

UKSOL solar panels are available in sleek black or silver, offering both high performance and a modern aesthetic to suit any installation. UKSOL solar panels feature N-Type TOPCon technology, an advanced solar cell design that enhances efficiency, durability, and energy yield.

Why should you choose a British Solar brand?

Customers are increasingly aware of solar supply chain issues, including links to modern slavery. Offering a British brand with ethical and transparent procurement practices sets you apart, providing customers with high-quality products and confidence in your commitment to integrity.

Is Longi a good solar panel manufacturer?

Out of the many solar panel brands from China, LONGi has scored the highest rating in multiple PVEL (photovoltaic evolution labs) tests while still remaining affordable, cementing them as one of the best solar panel manufacturers operating today.
