

Cheap and small solar on-site energy

Overview

What are the cheapest solar panels?

Many of the EnergySage Buyer's Guide's most affordable solar panel brands also produce some of the best solar panels. Here are our top picks for the best cheap solar panels based on the average cost per watt and performance. At just \$2.36 per watt, AXITEC offers the cheapest solar panels per watt on our list.

Are cheaper solar panels a good option?

In many cases, yes, opting for cheaper solar panels can be an outstanding option. While high-performance panels from companies like Maxeon (formerly SunPower), Trina Solar, Tesla, Panasonic and REC will help you maximize your energy savings over time, they also come at significantly higher per-watt prices.

How do I Choose affordable solar panels?

Choosing affordable solar panels comes down to efficiency, wattage, warranties, guarantees and the material of the panels. Be sure to check out solar company reviews and ask family and friends who've gone solar for recommendations to make the most informed decision.

What are the best low-cost solar panels?

Canadian Solar has the best selection of cheap solar panels of any manufacturer on this list. Here's a quick look at some of its more attractive low-cost panels. TOPHiKu6: The TOPHiKu6 panels have the second-highest efficiency rating of Canadian Solar's panel options. These are all black, but they do have visible grid lines.

Which solar panels are best for your home?

With the lower prices comes lower efficiency, however. It may be tempting to go with thin-film panels because they are the most affordable, but

monocrystalline or polycrystalline panels are typically better for residential solar energy systems.

Are low-cost solar panels worth it?

However, there is still a decent range in price between the cheapest solar panels and the most expensive options. Whether you're a homeowner who's trying to work within a fixed budget or you're a frugal shopper who appreciates a great value, low-cost solar panels may very well be the best option for your home.
