

Georgia's photovoltaic energy storage policy plan

Overview

How many MW will Georgia Power Add to its renewable portfolio?

If realized, this would bring Georgia Power's renewable portfolio to roughly 11,000 MW by that year. Additionally, battery energy storage systems (BESS) will be integrated into future competitive bids. Georgia Power currently plans to add more than 1,500 MW of BESS in the coming years.

Where can I find information about Georgia Power's long-term energy strategy?

For more information about the IRP and Georgia Power's long-term energy strategy, visit [The Source: Georgia Power](#), a Southern Company, provided the details for this article. Georgia Power's 2025 Integrated Resource Plan emphasizes reliability, affordability, and cleaner energy sources.

How long will Georgia Power Base rates stay the same?

The plan comes after six months of regulatory filings, hearings and negotiations, culminating in a stipulated agreement between Georgia Power, the PSC's Public Interest Advocacy staff, and multiple intervenors. SEE ALSO: [Georgia Power base rates stay the same for 3 years](#) By the numbers:.

What can you do with Georgia Power?

Georgia Power will meet semi-annually with PSC staff to report progress and explore new grid-enhancing technologies. What you can do: To support customers' sustainability goals and affordability needs, the IRP expands several customer-facing programs, including:.

How many megawatts will Georgia Power Power Power?

By the numbers: Georgia Power forecasts about 8,500 megawatts of electrical load growth over the next six years—up 2,600 megawatts from 2023 projections. To respond, the plan includes quarterly economic development filings and ongoing load forecast updates.

What is Georgia Power's 2025 Integrated Resource Plan?

ATLANTA - The Georgia Public Service Commission on Tuesday approved Georgia Power's 2025 Integrated Resource Plan, greenlighting a roadmap to meet the state's growing energy demand while emphasizing reliability, affordability and cleaner generation sources.
