

High-efficiency photovoltaic module manufacturing base project

High-efficiency photovoltaic module manufacturing base project

The 10GW High-efficiency Module Project at DAS Solar's ...

The base spans approximately 98.84 acres and is planned for the construction of 10GW N-type high-efficiency module production line, a 2GW photovoltaic cell production line, ...

<u>WhatsApp</u>

The first phase of 15GW project of Xiexin integrated high efficiency

The Xiexin high-efficiency photovoltaic module production base project is located in Hefei Circular economy demonstration Park, with a total investment of about 4 billion yuan in the first phase ...
