

# Lithium battery pack outdoor

## Overview

---

How do I choose a battery pack for outdoor use?

When shopping for a battery pack to use in the outdoors, look for one that is durable, protected from the elements, and provides enough energy for the length of your outing. Goal Zero's line of portable battery packs was built from the ground up for use in the outdoors.

What should a battery pack for camping have?

Keeping your gadgets charged in the backcountry requires a battery pack that has a higher level of durability and protection from the elements. It should also provide enough ports and capacity to power smartphones, tablets, GPS devices, lights, and other gear.
