

Portable DC high voltage power supply

Portable DC high voltage power supply

Ampner HVPS1250C High Voltage DC Portable Power Supply ...

The power supply unit can be used e.g. for powering up frequency converters during service and commissioning or powering up the DC-link. It can also be used for capacitor recharging. In ...

High voltage DC Power supply unit for service and commissioning

HVPS1250C, a portable DC power supply is targeted for servicing and commissioning. It creates a galvanic isolated and stabilized output voltage up to 1250 VDC and output current up to 1 A.
