

# **Sodium Battery Energy Storage Base Station**

## Overview

---

China has officially launched the world's first grid-forming Sodium-ion Battery energy storage facility. The Baochi Energy Storage Station, located in Yunnan province, comes as a national pilot project and serves as a milestone in the global energy storage industry.

## Sodium Battery Energy Storage Base Station

---

### Sodium Batteries for Use in Grid-Storage Systems and Electric ...

New developments in sodium battery materials have led to developments that could pave the way for lower-cost sodium-ion batteries that can compete with lithium-ion ...
