

# Swaziland grid-side energy storage electricity prices

#### **Overview**

Does Swaziland have electricity production?

Swaziland has electricity production through its Swaziland Electricity Company, which operates five power stations. Swaziland does not have natural oil or gas reserves, making the country's oil sector heavily dependent on fuel imports from South Africa.

What are the biggest energy issues in Swaziland/Eswatini?

Find a summarized energy profile for Swaziland/Eswatini (Atlas of Africa Energy Sources). Power Africa states these issues as the biggest for the country's energy sector: Lack of clarity in roles for procurement between the Swaziland Energy Regulatory Authority (SERA) and SEC.

Where can I find information on energy access in Swaziland/Eswatini?

Find relevant information for Swaziland/Eswatini on energy access (access to electricity, access to clean cooking, renewable energy and energy efficiency) on the Tracking SDG7 homepage. (Sustainable Development Goal indicators 7.1 energy access, 7.2 on renewable energy and 7.3 on energy efficiency).
