

Swiss antioxidant energy storage box price

Overview

Are Swisse supplements recyclable?

Swisse supplements are packaged in High-Density Polyethylene (HDPE) plastic bottles that are recyclable and completely free of BPA. Is there an authentication mark on the package?

All Swisse products feature a scannable, Swisse brand protection icon on the label.

Are Swisse products scannable?

All Swisse products feature a scannable, Swisse brand protection icon on the label. Consumers can download Swisse Scan, a mobile app that uses a world-leading scanning technology, to check and verify an authentic Swisse label. Are these safe to take with prescription medicines?

.

Are Swisse products FDA certified?

While the Food and Drug Administration regulates Swisse and all dietary supplement brands for appropriate labeling and claims, they do not provide certification or approval. However, all Swisse products are manufactured in FDA-registered facilities. Are these GMP certified?
