

Swiss photovoltaic panel processing manufacturer

Overview

Who makes Swiss solar modules?

SSWISS GROUP AG manufactures high-quality solar modules and is leading and globally active technology company. SWISS solar modules are engineered in Switzerland and meet the highest quality standards . As an internationally recognized premium brand.

Who is Swiss Solar AG?

SWISS SOLAR AG – is a leading and globally active technology company. It is specialized in innovative systems and production of solar cells and solar modules. From simple beginnings, SWISS SOLAR AG has expanded globally. We now sell our products in more than 100 countries. IBEX 132MWT-GR. IBEX 144MHC-Ei. IBEX 144BF-MHC. IBEX 132MHC-Ei.

What is the most powerful solar module in Switzerland?

Find out everything about the M490, our most powerful solar module in Switzerland, which perfectly combines efficiency and aesthetics. Bifacial modules use not only direct sunlight on the front side, but also indirect and diffuse light on the rear side. Your Swiss solar manufacturer for innovative solar modules and photovoltaics.

Why should you choose Swiss Solar AG?

The state of the art design of solar the packaging and solar modules makes the product emotionally attractive to the most demanding customers. Stylish packaging sets the product apart from other producers. To be part of SWISS SOLAR AG is to always be ahead.

How do we integrate photovoltaic modules in architectural cladding?

SUNAGE integrates photovoltaic modules into any architectural cladding by combining high energy performance, design, and customisation. With over 15 years of experience in photovoltaic manufacturing and Swiss quality products

and processes, we continuously develop ambitious sustainable and aesthetic projects.

What is Building Integrated Photovoltaic (BIPV)?

BIPV (Building Integrated Photovoltaic) is a revolutionary technology that changes the design of buildings and substitutes traditional construction materials. SUNAGE's BIPV solutions are developed based on understanding and aligning with our clients' vision.
