

# Will Bahrain build a 5G photovoltaic base station

#### **Overview**

This marks an important step forward in Zain Bahrain's efforts towards environmental sustainability, as the new solution will help reduce carbon emissions. The renewable power solution uses h.

#### Will Bahrain build a 5G photovoltaic base station

### Huawei launches innovative antenna to accelerate the arrival of ...

Huawei's "1+1 antenna modernization" concept, first announced at Mobile World Congress 2018 in Barcelona, will solidify Bahrain's position as a frontrunner in 5G deployment in the MENA region.
